Instructions for Special Use Permit Applications

A Special Use Permit (SUP) is issued for certain uses of property in the City. If approved, the permit may require that special conditions be imposed to assure the health, safety and welfare of the surrounding area. Applications for special use permit approval are considered by the Planning Commission and City Council.

I. What To Know Before Applying

Who May Apply for a Special Use Permit: Only an owner, a contract purchaser, a lessee, or another party with a legal interest in the property may apply for a special use permit.

Types of Special Use Permit Requests

Uses that require special use permit approval are outlined in the Zoning Ordinance. It is recommended that potential applicants contact staff to verify if a SUP is required for a particular use. Special Use Permit applications may be submitted for the following:

- New uses requiring a SUP;
- An expansion or change to an existing use without a SUP or grandfathered use;
- An expansion or change to an existing use with a SUP.

Filing Deadline and Application Acceptance: Application submissions must be received on or before the monthly filing deadline. Applications are accepted at the Planning and Zoning office in City Hall, Suite 2100. Although a mailed application will be accepted, it is highly recommended that applications be submitted in person. This gives staff an opportunity to review the application and advise the applicant if more information is required. The filing schedule is available on the web at <http://alexandriava.gov/planningandzoning/forms/feedeadlines.pdf> or in the Planning Office. Staff may grant a grace period to allow the applicant time to submit missing materials. Incomplete applications will not be held by staff. The applicant will be responsible for resubmitting the complete application package before the grace period ends (the grace period is typically 3 days). Applications submitted after a filing deadline and after the grace period will be processed for the next hearing cycle.

Application Forms and Plans: All portions of the SUP application package must be completed in order for the application to be reviewed. Please use the application checklist contained in the application package to ensure that all components are completed. The checklist also outlines the requirements for the site plan and floor plan which are a part of the SUP application package. Please consult Planning and Zoning staff before the filing deadline for assistance with preparing a proper site plan and floor plan.

Filing Fee: Application packages will not be processed unless the correct filing fee has been paid in full. The current fee schedule is available on the web at http://alexandriava.gov/planningandzoning/forms/fee_schedule.pdf or contact the Planning Office at 703-838-4666.

II. After Filing The Application

Review Process: Once the application package has been accepted, it will be assigned a case number and circulated to various City agencies for their review. City agencies will review the application materials and provide P&Z staff comments and recommend conditions for the use. A Planner will be assigned to review the application and prepare a staff report with a recommendation to the Planning Commission and City Council.

During the review process, the Planner will visit the site, analyze the existing conditions, determine the impacts that the proposed use will have on the surrounding area, notify affected civic and neighborhood associations and gather information from other departments. The Planner may require the applicant to submit additional information. The Planner will also write a staff report which will outline the proposal, discuss challenges and advantages of the use, discuss staff's recommendation of approval or denial and list conditions of approval.

Applicants will be expected to strictly adhere to all conditions if the request is approved by City Council. At any point during the review process, the applicant may contact the Planner to ask questions about the application or the review process. Approximately two to three weeks before the Planning Commission hearing, the Planner will send the applicant the recommended conditions of approval. **The applicant is responsible for ensuring that they understand and are in agreement with the conditions, and address any problems with the Planner before the hearings.**

The City Council may grant a SUP if it finds that:

- 1) The use for which a SUP is sought will not adversely affect the health or safety of persons residing or working in the neighborhood of the proposed use;
- 2) The use will not be detrimental to the public welfare or injurious to property or improvements in the neighborhood;
- 3) The use will be in accord with the purposes of the City's Master Plan and Zoning Ordinance; and
- 4) The applicant will comply with all regulations and provisions of law.

Property Owner Written Notification: **The applicant must provide written notice to all adjoining and facing property owners. See attached detailed instructions.** New written notice is required for each and every public hearing, including hearings for deferred or continued items or items referred back to the Planning Commission by the City Council.

Requests to Defer or Withdraw: At any point during the review process, the applicant may request that the application be deferred to an upcoming docket, or withdrawn entirely. All requests to defer or withdraw must be submitted in writing. An application may also be put on hold for up to six months. It is the responsibility of the applicant to notify staff to re-docket a held application. If there is no activity within six months, the application will be withdrawn by staff and a refund will be processed if the request has not been advertised.

Filing Fee Refund: An applicant is entitled to a full refund of the filing fee if a written request to withdraw has been received before the case has been advertised by the City in local newspapers. Advertising in local newspapers usually occurs two weeks before the hearing. An applicant considering withdrawal should contact Planning staff to verify the last day to withdraw without a refund.

III. Planning Comm./City Council Hearings

Planning Commission and City Council Hearings: SUP requests are considered by the Planning Commission during their regular meeting which normally occurs on the first Tuesday of each month in the City Council Chambers, City Hall, at 7:30 P.M. Special Use Permits are subsequently considered by the City Council on the second Saturday following the Planning Commission hearing in the City Council Chambers, City Hall, at 9:30 A.M. Meeting dates may change and should be verified by the applicant at the time of filing the application. **Please note that the applicant or a representative must attend the meetings. Failure to attend the Planning Commission hearing will result in a deferral or possibly denial or dismissal of the application.**

Approval of a SUP request: If a SUP request is approved by Council, the approved conditions and a SUP certificate will be mailed to the applicant. Council's decision is effective immediately, therefore an applicant is not required to wait for the approved conditions and certificate to begin filing for other necessary permits (i.e. building permits, business license, etc.). Refer to the "Alexandria Small Business Guide" for more information on obtaining other permits or licenses that may be required.

Effective Period of Special Use Permit Approval: Construction or operation must be commenced within 18 months of the date the Special Use Permit is granted or the permit becomes void, unless an application to extend the permit is filed prior to the expiration date.

Special Use Permit Appeal: Persons aggrieved by an approval or denial of a SUP by the City Council may appeal that decision to the Circuit Court.

Reapplication After Denial of a Special Use Permit Request: If a Special Use Permit is denied by City Council, it will not be considered again by the Planning Commission or City Council for a period of one year. If a new application differs in a substantial and material respect from the application denied, the request may be considered after a period of six months. The applicant is responsible for resubmitting the application package for reconsideration by the Planning Commission and City Council.

Revocation and Suspension: A special use permit may be revoked or suspended upon proof that the conditions set forth or any regulations or laws are not being followed.

End of Application

NOTICE REQUIREMENTS

CITY COUNCIL AND PLANNING COMMISSION

For each application for a public hearing before the Planning Commission, City Council, the Board of Architectural Review, or the Board of Zoning Appeals (for example, for a special use permit, a certificate of appropriateness, an encroachment, a variance or subdivision approval), the law requires that notice is given so that people interested or affected by the application have a chance to express their views. ***If incorrect notice is given, the request cannot be heard and must be deferred.***

Three types of notice are required:

- The City publishes notice in the newspaper prior to the hearing.
- The City also posts the property with a sign prior to the hearing.
- The third type of notice is ***“written notice” and must be provided by the applicant.***

WRITTEN NOTICE FREQUENTLY ASKED QUESTIONS

What is written notice?

Written notice is a letter sent to the owners of those properties that abut the property that is the subject of the application. The notice describes the application before the City and gives the date when public hearings on the application will take place.

What form should I use for the written notice?

Using the attached form called “Notice of Public Hearing,” fill in the blank spaces for the date of the hearings, the issue description, the property address and tax map number. Prior to mailing, date the form, sign it, and indicate your telephone number in the appropriate place so that people who receive the notice have someone to call with questions.

The ***issue description*** part of the notice form is very important. At the time you submit your application, you may ask staff for assistance formulating the issue description. You must be thorough in your description. Feel free to check with staff regarding the content of the issue description at any time during the application review process.

The following ***example*** illustrates a description:

Request to operate a full-service restaurant with carry-out and delivery service. Live entertainment will be provided. A parking reduction of six spaces is requested.

To whom must I send written notice?

Written notice must be sent to the owner of the property if the applicant is not the owner. In addition, written notice must be sent to the owner of each abutting property. An abutting property is one that touches the property in question or directly faces (and, in the case of a corner lot, diagonally faces) the property in question. See diagram below.

Below is a **sample sketch** showing a hypothetical subject property and the property owners required by law to be notified. This is a sample only and is not to be used as a final authority when sending notice. If in doubt, it is advisable to provide notice to additional properties.

**How do I determine the abutting properties?**

Consult the tax maps in the Department of Planning and Zoning or at the department's web page (http://alexandriava.gov/city/planning_zoning/gis/taxmaps.htm). Abutting properties may also be identified by visiting the Office of Real Estate Assessments web site (<http://realestate.alexandriava.gov>). Determine the correct map, block and lot numbers of the abutting properties and use that information to fill out the appropriate spaces on the attached form called "Property Owners List."

How do I find the name and address of the owners of those properties?

Visit the web page of the Office of Real Estate Assessments (<http://realestate.alexandriava.gov>) or search the records in the Office of Real Estate Assessments on the second floor of City Hall, Room 2600. Look up the correct name and address of the property owner of each parcel you have listed on the Property Owners List. Fill in that information on the same form under "Abutting Property Owner's Name and Mailing Address."

What do I do in the case of a condominium property?

Legal notice to an abutting property that is in condominium ownership may be provided in only one of two ways:

- by sending notice to each and every condominium unit owner; or
- by sending notice to the president of the association of condominium owners.

In order to find out the proper name and address of the unit owners, you may use the records of the Office of Real Estate Assessments, as you would for any other owner of property. These records will provide the official name and address of each property owner. If you choose to avoid notice to each individual owner and wish to send notice to the condominium association president instead, then you must use other means to determine the correct name and address of the president. You may consult with the City's Department of Citizen Assistance for the name and address of the association president, but should also call the condominium or otherwise research and confirm the information yourself.

How must the notice be mailed?

Notice of the meetings must be sent by registered or certified mail only. Save the stamped receipts from the post office and a copy of the notice letter. Do not ask the post office to send the notices by restricted delivery or return receipt requested.

When must the notice be sent?

Notice of the meetings must be sent at least 10 days prior to the meeting and no more than 30 days prior to the meeting. Planning staff has a schedule with the correct dates for mailing notice prior to each meeting. Consult them for assistance.

What documents must be submitted to show that I sent notice correctly?

After you have sent the notice letters for the public hearings, the following documents must be submitted to the Department of Planning and Zoning:

- A completed Certification of Notice form. This form tells the City that you have sent the appropriate form to the correct list of owners and that you have sent it at the right time. You must sign this form.
- A copy of the Notice of Public Hearing form that you sent to property owners.
- A copy of the Property Owners List, filled in with the names and addresses of the properties to whom you have sent notice.
- Copies of the certified or registered mail receipts from the post office. The receipts must be stamped by the post office.

When must the above documents be submitted?

The above documents must be submitted to the Department of Planning and Zoning by 5:00 PM of the fifth day prior to the meeting date.

Who can help me complete the notice process correctly?

If you have any questions about the notice process, staff in the Department of Planning and Zoning can assist you. Please call 703.838.4666.

If you fail to send correct legal notice as described above, the application will not be heard as scheduled. It will be deferred to the next scheduled hearing date so that proper notice can be sent. If it is heard, the improper notice may affect the validity of the hearing.
